HOW WE WILL CALCULATE YOUR BALANCE: We use a method called “daily balance (including new transactions).”

For the purchase APR, we add 9.74% to 18.74% to the Prime Rate based on your creditworthiness. When we evaluate creditworthiness, we consider your credit report, all the information you provided and other information. Customers with the best credit profiles receive the lowest rates. Some customers may receive higher rates and may be offered an account with different rates or terms, including no introductory rates but the same cash back rewards offer. For the cash advance APR, we add 21.74% to the Prime Rate. Your variable APRs will never be less than zero or higher than 29.99%.

CARDMEMBER AGREEMENT NEW YORK RESIDENTS: For more information call us at 1-800-347-3085. You may contact the New York State Department of Financial Services at 1-800-342-3736 or visit www.dfs.ny.gov for free information on comparative credit card rates, fees and grace periods.

INTRO APR OFFERS: You must respond and be approved for an account by April 23, 2025 to take advantage of this intro rate offer.

BALANCE TRANSFERS: This offer applies to balance transfers that post to your account by May 10, 2025. To transfer your balances at time of application, please apply at GetDiscoverStudent.com. An account must be open for 14 days before Discover can begin processing your balance transfer request. After that, most transfers are processed within 4 days. You may cancel a balance transfer at any time prior to that by calling 1-800-347-2683. Continue to make all required payments to your other accounts until you confirm that the balance transfers were made. Balance transfers may not be used to pay any Discover accounts and do not earn rewards. You may transfer any amount, up to your credit available for transfers, which may be less than your total credit line. If your balance transfer request will exceed your available credit, we will process your transfers for less than the amount requested, in the order requested. You may only make balance transfers to accounts that list you as an accountholder. The minimum payment requirement can cause promotional balances to be paid in full prior to the end of the promotional period. **There is no grace period on balance transfers. If you take advantage of this balance transfer offer, you will be charged interest on purchases unless your purchase APR is at a promotional 0% APR. To avoid interest on new purchases after you transfer a balance, you must pay all balances on your account, including any balances you transfer under this offer, in full by the first payment due date.** See your Cardmember Agreement for details. Your account may not always be eligible for balance transfers.

The terms of your account, including rates and fees, are subject to change, to the extent permitted by law. **ARBITRATION:** The Cardmember Agreement provides that we may choose to resolve a claim relating to your account by binding arbitration, in which case, you will not have the right to have that claim resolved by a judge or jury and you will not have the right to participate in a class action in court or arbitration. The Ohio Civil Rights Commission administers compliance with this law. **Wisconsin Residents:** No agreement, court order or individual statement applying to marital property will adversely affect a creditor’s interests unless prior to the time credit is granted the creditor is furnished with a copy of the agreement, court order or statement, or has actual knowledge of the adverse provision.
